

For additional pre-enrollment information please see the Consumer Information document for the school.

Licensing Requirements in Florida – Main

- Cosmetology graduates completing 1200 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a cosmetology license in Florida.
- Barber/Styling graduates completing 1200 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a barber license in Florida.
- Barber graduates completing 900 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a barber license in Florida.
- Restricted Barber graduates completing 600 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a restricted barber license in Florida.
- Full Specialty graduates completing 400 hours and all course work and fulfilling Satisfactory Academic Progress requirements may apply to receive a full specialist license in Florida.
- Facial/Skin Care graduates completing 220 hours and all course work and fulfilling Satisfactory Academic Progress requirements may apply to receive a facial specialist license in Florida.
- Nail Specialty graduates completing 180 hours and all course work and fulfilling Satisfactory Academic Progress requirements may apply to receive a facial specialist license in Florida.
- Massage Therapy graduates completing 600 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam (MBLEx) to receive a massage therapy license in Florida.
- The state that the school has determined the above programs meet curriculum educational requirements at the main location for licensure and certification is Florida. The school has not determined if the programs meet curriculum educational requirements for licensure and certification in any other state.
- The Salon Professional Academy has not verified the curriculum transferability to any other state. Students should be aware that other states' licensure requirements are subject to changes.
- Students are encouraged to check with their state licensure board to confirm licensure requirements and obtain additional guidance as needed from the respective licensure board.

Licensing Requirements in Florida – Additional Campus

- Cosmetology graduates completing 1200 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a cosmetology license in Florida.
- Barber/Styling graduates completing 1200 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a barber license in Florida.
- Barber graduates completing 900 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a barber license in Florida.
- Restricted Barber graduates completing 600 hours and all course work and fulfilling Satisfactory Academic Progress requirements may take the state board exam to receive a restricted barber license in Florida.
- Full Specialty graduates completing 400 hours and all course work and fulfilling Satisfactory Academic Progress requirements may apply to receive a full specialist license in Florida.
- Facial/Skin Care graduates completing 220 hours and all course work and fulfilling Satisfactory Academic Progress requirements may apply to receive a facial specialist license in Florida.
- Nail Specialty graduates completing 180 hours and all course work and fulfilling Satisfactory Academic Progress requirements may apply to receive a facial specialist license in Florida.
- The state that the school has determined the above programs meet curriculum educational requirements at the additional location for licensure and certification is Florida. The school has not determined if the programs meet curriculum educational requirements for licensure and certification in any other state.

- The Salon Professional Academy has not verified the curriculum transferability to any other state. Students should be aware that other states' licensure requirements are subject to changes.
- Students are encouraged to check with their state licensure board to confirm licensure requirements and obtain additional guidance as needed from the respective licensure board.

Graduation, Licensure, and Placement Rates

The Department of Education requirements for programs:

The school must count completed or graduated students as those who have completed or graduated by the end of the 12-month period ending August 31 of the prior award year during which 150% of the normal time for completion or graduation from their program has lapsed. Therefore, the statistics listed below are based on students who began their program between 9-1-2021 to 8-31-2022, allowing for 150% of the normal time for completion or graduated by August 31, 2024. The annual rates are based on the full-time, first-time certificate (diploma) seeking students. Normal time is the amount of time necessary for a student to complete all requirements for a diploma (certificate) according to the school's catalog. Rates below are for Title IV approved, GE Programs. The placement rates for students completing a gainful employment program are determined under a methodology developed by the National Center for Education Statistics (NCES). **NOTE:** Graduation rates disaggregated by gender, major racial and ethnic subgroup, recipients of a Federal Pell Grant, recipients of a subsidized Stafford Loan who did not receive a Pell Grant and students who did not receive either a Pell Grant or subsidized Stafford Loan can be found at <http://nces.ed.gov/collegenavigator/>. The school will make available upon request information regarding the placement / employment of and source of / time frames of the information and types of employment obtained by its graduates prior to enrolling or entering into any financial obligation with the school.

Facial/Skin Care

Graduation/Completion Rate: 80.00%

Licensure: There is no state licensure exam for Facial Specialists; must apply with state to receive license.

Placement: 42.86%

Accreditation reporting time frames of 1-1-2023 to 12-31-2023.

Statistics below are from the most recent NACCAS Annual Report based on the calendar year 2023.

Below are the rates and verbiage according to NACCAS regulations. Minimum outcomes thresholds: 50% graduation; 60% placement; 70% licensure exam pass rate.

The Graduation Rate is based on all students scheduled to graduate the program in 2023. Of those students scheduled to graduate in 2023, the percentage that actually graduated before December 31, 2023. The scheduled graduation date is derived from a student's most recent contract end date taking into account all leave of absences, schedule changes and re-enrollments. A student may count as a graduate if they have completed all applicable graduation requirements at the School. *The Licensure Rate* is based on graduates from the 2023 graduation cohort who sat for all required parts of the licensure exam prior to 11-30-2024. A student in the licensure cohort may count as a "pass" if they have passed all required portions of the national/state examination prior to 11-30-2024. *The Placement Rate* is based on a graduate who is or has been employed in a field for which their training prepared them (i.e., in a position within the beauty and wellness industry that directly relates to their field of training) after graduation and prior to November 30, 2024. Graduates who obtain temporary positions (i.e., positions where there is an expectation prior to the graduate's hire that the employment relationship between the employer and graduate will not last more than one month) are not considered placed.

Graduation/Completion Rate: There were no Nail Specialty students scheduled to graduate in 2022.

Licensure: There is no state licensure exam for Nail Specialists; must apply with state to receive license.

Placement: N/A

Accreditation requires disclosure of combined rates of all programs

Combined graduation rate is 92.00%, combined licensure rate is 100.00%, combined placement rate is 69.77%.

Combined Rates for both the main and additional locations

Combined graduation rate is 90.52%, combined licensure rate is 85.71%, combined placement rate is 71.18%.

Gender Policy

The School does not discriminate on the basis of sex, age, race, color, religion, disability, national origin, or ethnic origin in admitting students nor does it recruit students already attending or admitted to another school offering similar programs of study. The enrollment in our industry is primarily female, however; gender is not

considered in any factor of enrollment and has no bearing on admitting financial aid or non-financial aid students.

Vaccination Policy

The School does not require vaccination records for admittance to the School. Because we respect the rights and decisions of all parties concerning childhood vaccines, we do not require these records for admittance.

Physical Demands Placed On the Body

There are physical demands placed on the body in most careers. Care must be taken to protect your back, legs, and feet. One way to do this is strength training to enhance your back, abdomen, and leg muscles. Regular exercise will help to promote all over body conditioning and will improve circulation in your legs and feet. We recommend consulting your doctor before beginning any exercise program. Because this job requires that you stand / sit for long periods of time, it is suggested that you wear proper fitting, supportive shoes, and support hose. These are not a requirement but will help to increase your chances of longevity in the profession.

Safety Requirements

Safety suggestions with this profession would include wearing shoes that would not be slippery when walking on a damp floor. All hair needs to be swept up following each haircut to minimize accidents. All water spilled should also be wiped up as quickly as possible. It is the responsibility of each student to promote a safe work environment. Gloves should be worn during chemical services to reduce any allergic reaction that an individual may have to certain chemicals. Any product that would accidentally get in the eyes should be flushed thoroughly with water. Seek medical attention if irritation continues.

Compensation Expected

Our graduates will find a variety of employment opportunities and a variety of earning potential within our industry, including salary and gratuities in an **entry-level position** depending on the work schedule and the area population. A commission scale is commonly used to pay industry professionals resulting in much higher pay after an introductory period of several months. Retail commission is also common. Some salons / spas now offer benefits resulting in higher earnings.

Booth rental is popular in some areas of the country. A booth rental salon operates as an independent salon therefore; income of the owner / service provider will be based on profitability and best business practices.

Employability:

The schools' curriculum prepares students for today's salons and spas. Our students receive training in the basic as well as cutting-edge, advanced technical skills, client communication skills, client retention, prebooking, and retail sales skills. Advice and feedback is received from the school's Advisory Board members who include salon and spa owners, professional educators and business owners to aid the school in gaining the most current information provided from the labor market. Employer surveys are sent to salons that hire our graduates so the school stays current with salon owner recommendations regarding our graduate's preparedness for today's salon environment.

I have read and understand the information provided above. I have received this information prior to signing my Enrollment Agreement (Contract). I also acknowledge that I have reviewed the median student loan debt for the school that is posted on the school's website at www.tspamelbourne.com (Melbourne) or www.esimiamibeach.com (Miami Beach) and the schools' Consumer Information.
